

Ecumenical Chaplaincy for the world of work

To be heard ...

Time offered to each one who lost his/her job.

At Nestlé, hundreds of jobs have disappeared. Other companies are also dismissing employees.

Are you concerned by all these dismissals? Would you like to be honest and appreciate sharing how you feel?

As Christians, we are convinced that God is listening with mercy. We want to offer you the possibility of being heard.

Monday 12th and 26th November 2018 between 5 and 7 pm
Sainte-Claire Parish Center, Vevey

Sainte-Claire Street 1, 1800 Vevey

Jean-François Renaudin, trained to conduct "Revision of Life" or
Alain Martin, Reformed minister, chaplain for workers and
Jean-Claude Huot, Catholic chaplain for workers will be present to
listen to you, in full confidentiality and respect of your experience of
life, convictions and beliefs.
